

Suggested CD Players that are compatible with MP3 CDs

If you are planning to purchase an MP3 CD Player, the following information may be of use to you. Prices will vary by stockist. All prices listed are correct at the time of writing but may be subject to change.

If you do not own a suitable CD Player, most DVD players will play the MP3 CDs through your television.

If you find other players that you feel may be suitable for our members, please contact the library by telephone 020 7234 0522 or by emailing us at library@listening-books.org.uk
